1 Reading: The Garden on Pine Street

Read the text and choose the correct option.

The Garden on Pine Street

Ten years ago, the empty lot on Pine Street was full of trash. Children didn't use to play there, and neighbors used to walk quickly past it.

Now it is a community garden. Mrs. Lúcia, who is 68, used to work as a seamstress, but today she grows tomatoes and lettuce there every morning. Her grandson Pedro used to spend his afternoons on his phone, but now he waters the plants with her.

The neighbors used to buy all their vegetables at the supermarket. Today they share what they grow and even make compost from kitchen scraps.
