The school trip

Our class is choosing a destination for the school trip. There are three options: Rio de Janeiro, Foz do Iguaçu and Ouro Preto.

Rio is the biggest city and it has the most famous beaches. Foz do Iguaçu is farther from our school than Ouro Preto, so the bus trip is longer, but the waterfalls are amazing. Ouro Preto is the smallest city of the three, and the trip there is the cheapest.

In my opinion, Ouro Preto is more interesting than Rio because of its history. My friend Gabi disagrees. She thinks the beaches in Rio are better than any museum!
