1. its
2. it's
3. who's
4. whose
5. their
6. they're
7. your
8. you're

4. Writing

1. Free answer. Example: Globalization can be both. It helps people learn about other cultures through the internet, music and travel. However, it can also make local traditions disappear, because global brands and the same movies are everywhere. For example, many young people prefer fast food to traditional dishes. In my opinion, we should enjoy global culture but also value and protect our own traditions.
