My trip to Bonito

Last July, I traveled to Bonito, in Mato Grosso do Sul, with my family. We stayed in a small hotel near the river.

On the first day, we visited a cave with a blue lake. It was amazing! On the second day, we went snorkeling in a river. The water was very clear and I saw a lot of fish. My little sister didn't swim because she was scared, but she watched us from the boat.

In the evening, we ate at a nice restaurant and I tried fried fish for the first time. I loved it!
