Weather and seasons (clima)

Weather: as quatro estações

① Reading

Read the text and choose the correct answer.

The Four Seasons

In many countries, the year has four seasons: spring, summer, autumn, and winter. In spring, the weather is mild and flowers start to bloom. Summer is usually hot and sunny, perfect for swimming. In autumn, the leaves change color and the weather becomes cooler. Winter is often cold, and in some places, it snows. Every season has its own special weather and activities.
